

Official Guide
for the
Kaslo and Area
Communities
2023

We come highly recommended!

"The **Visit Kaslo Area Guide** and the **West Kootenay Go & Do** were by far two of the most popular info brochures we gave away at the Kaslo Visitor Centre.

They were flying off the shelves like crazy. Both are packed with all the exact sort of information that every tourist visiting Kaslo, or the area, needs. And the fact that we couldn't keep enough of them reflected that."
